

Teachers are invited to visit the Virginia Museum of Transportation for FREE

303 Norfolk Avenue SW | Roanoke, VA 24016 | 540/342.5670
Open Monday-Saturday 10-5 and Sunday 1-5 | www.vmt.org

A field trip to the Virginia Museum of Transportation can help you teach and review **SOLs in every subject area**, from history and social studies to science and technology, plus language arts, math, and safety. Our collection of trains, buggies, cars, planes, trucks, and artifacts will make history come alive for your students and excite them about the future of science, technology, engineering and math!

We invite you to experience the Museum for yourself to see just how valuable a field trip can be. Teachers and school personnel can visit the Museum one time for FREE with your school ID and the coupon below, which also provides free admission for one guest.

If you are a homeschool teacher, please email Courtney Plaster at cplaster@vmt.org for your pass.

Want to learn more about the Museum or special programming we may offer for your group? Please visit our web site at www.vmt.org or contact me at any time! We look forward to seeing you!

We appreciate you sharing this offer with your colleagues!

Courtney Plaster, Educator Coordinator
cplaster@vmt.org | 540-342-5670 ext 108

For Free Admission, please bring your school ID and this coupon with you on your visit to the Virginia Museum of Transportation.
