Set,
OPEN!**

Down

- 1 Big military vehicle used to fight fires for the Department of Forestry with 250 gallons of water on board.
- 2 Can you find the VMT's specialized locomotive for assembling trains by moving railroad cars?
- 3 The extinct Piedmont Airline logo
- 5 We used to see them at the end of every train, now the best place to see one is at the VMT.
- 6 Popular entertainment with death defying stunts on airplanes
- 8 A two person maintenance vehicle that pivots like a seesaw for power.
- 10 You can hail this Studebaker but it's not leaving the VMT anytime soon!
- 11 Visit the 611 and 1218 powerful steam _____ at the VMT.
- 13 The VMT Model _____ has over 600 feet of tracks!

Across

- 4 The Detroit Model 42 is an _____ car powered by a rechargeable battery.
- 7 Model of automobile found in the VMT Auto Gallery
- 9 A _____ used to carry this beautiful woven gondola high into the sky.
- 12 We love things that GO!
- 13 Several ships in the VMT collection are named for our hometown.
- 14 This useful boat isn't needed in the Roanoke River but helps big ships navigate the Chesapeake Bay.
- 15 One beetle we love here at the VMT!
- 16 Come see the Jupiter _____ standing high above the VMT by the 2nd Street Bridge.
- 17 When you are at the VMT, you can see lions, tigers and bears...but all are very small in this amazing model
- 18 We have giant ones to pull trains and smaller ones to fly airplanes....
- 19 The Prairie Schooner and the Studebaker Half-Platform are _____ found at the VMT.
