WINGS OVER VIRGINIA AVIATION COLLECTION

The Wings over Virginia Aviation Gallery includes stories of courageous pilots, civilian and military, who changed the course of history. Visit exhibits that trace the development of flight in Virginia, from barnstormers to Virginia's new Spaceport. Hands-on exploration of aviation technology will teach science and engineering, inspiring the next generation of aviators.

Find the key words from the Wings over Virginia Aviation Gallery in the word search and get ready to visit the gallery soon!
